Sir:

Webstone Company, Inc. assignee of the entire right, title and interest in and to the above-referenced patent application (by virtue of an assignment filed previously), hereby disclaims the term of any patent issued in the instant application which would extend beyond the expiration date of the full statutory term of any patent granted on United States Patent No. 6,655,412, and agrees that any patent granted on the present application shall be enforceable only for and during such period that the legal title to said patent shall be the same as the legal title to the aforesaid Patent No. 6,655,412 which formed the basis for a non-statutory-type double patenting rejection, this agreement to run with any patent granted on the present application and

No disclaimer is made of any terminal part of any patent granted on the above-identified application prior to the expiration date of the full statutory term of any patent granted on the aforesaid United States Patent 6,655,412 in the event that it later: expires for failure to pay a maintenance fee, is held unenforceable, is found invalid, is statutorily disclaimed in whole or terminally disclaimed under 37 C.F.R. 1.321(a), has all claims cancelled by a reexamination certificate, or is otherwise terminated prior to expiration of its statutory term except for the separation of legal title stated above.

The undersigned, an attorney of record in this application, is empowered to act on behalf of the assignee pursuant to 37 C.F.R. 1.321(a).

I hereby declare that all statements made herein of my own knowledge are true, and that all statements made on information and belief are believed to be true; and further, that these statements are made with the knowledge that willful false statements, and the like so made, are punishable by fine or imprisonment, or both, under Section 1001, Title 8 of the United States Code, and that such willful false statement may jeopardize the validity of the application or any patent issuing thereon.

Please charge Deposit Account No. 50-0369 for the fee of \$110.00 and any deficiency required by this paper. A DUPLICATE OF THIS DISCLAIMER IS ATTACHED.
